

Pre-Order Form for
Finding Home: The Life of Stella Sea Turtle

Finding Home: The Life of Stella Sea Turtle is a book written by Simone Lipscomb and illustrated by Linda-Bell Schorer. It has a dual storyline. First, readers are introduced to a little loggerhead sea turtle hatchling who grows up to return and lay a nest at her birth beach. Also, we learn more about Sophia and Grandma Brucey as they work to save sea turtles on the Alabama Gulf Coast.

Retail cost of the book is \$15. After our printing cost is raised, for each book sold, \$3 will be donated to Friends of Bon Secour National Wildlife Refuge. Books will also be available for wholesale purchase to stores and vendors. Your check will not be cashed or cash deposited until all funds for the printing production have been raised from pre-orders and sponsorships. Orders paid by credit card will be charged at the time of pre-order. Once the necessary funds have been secured, checks and monies raised will be deposited to pay for the book's printing. We will let you know when the book goes to press.

Once the books have arrived you can pick up your book from one of two locations (Magnolia Springs or Gulf Shores). If you would like your book/s shipped there will be an additional charge to cover costs. If you would like to sponsor the project, we have several ways you can do that. Visit www.SimoneLipscomb.com and visit the Stella Sea Turtle Book page.
